Links policy

The website includes links to both external websites and other sources. These links are included for a number of reasons, including:

- further or background information
- entertainment, where relevant
- informed comment

We select links on the basis that they are relevant to the content they are linking from and are suitable for the likely audience. We do not link to external sites in return for money, services or any other consideration in kind.

Links to external websites

External links are selected and reviewed by Shropshire Wildlife Trust, however the Trust is not responsible for the content of external websites. A link to an external website from the Trust website should not be understood to be an endorsement of that website, the site's owners or their products/services. This is because:

- we do not produce nor maintain/update them
- we cannot change them
- they can be changed without our knowledge

Links to user generated material

Some of the content we link to is generated by members of the public, such as blogs or photo-sharing sites. Unless specifically stated, the views expressed on such sites are not those of Shropshire Wildlife Trust. If you consider such content to be unsuitable, please [contact us](#).
