

The UPPER CLUN COMMUNITY
WILDLIFE GROUP &
LAND LIFE & LIVLIHOODS
WILD FLOWER WALKS

Join us for a series of field trips looking at the wild flowers found in some of the unique habitats of the Clun Forest. All welcome

[Saturday 28th May 11am \(finish around 3pm\)](#)

Riddings Wildlife Site

Looking at a variety of wildflowers in this steep dingle including plants of wetlands and orchids.
Walk led by Ros Gillard

[Saturday 11th June 11am \(finish around 3pm\)](#)

Cwm Moch (Ditch Dingle Wildlife Site)

Searching for uncommon wildflowers and learning how to identify them. Ros Gillard

[Saturday 18th June 11am \(finish around 3pm\)](#)

Orchid (& other interesting plants) Walk

Looking at some of the orchids of the Clun Forest but also other wildflowers. Led by Fiona Gomersall
The purpose of the walks is to encourage people to select their own favourite walk and to be able to identify the wildflowers and other plants which they encounter on their route. The walks will cover more than about three miles and are mostly challenging. Suitable footwear and outdoor (water- and windproof) clothing is needed for all walks. Please bring a picnic lunch
