Recycle phones for wildlife

The recycling appeal is an opportunity for us to raise much needed funds, with the added bonus of action for the environment through active recycling.

By recycling your old mobile phones, PDAs, inkjets and toner cartridges, you will make a real difference to our ability to protect wild places for generations to come.

Freepost envelopes are available from the Trust, or you can drop off your old phone for us to forward. Click [here](#) to find out more and select Shropshire Wildlife Trust from the list of charities to benefit.

Since the appeal was launched last October, Shropshire Wildlife Trust has received almost £500 in funds and over 200 phones have been recycled.

Shropshire Wildlife Trust is a registered charity number 212744
It is a company registered in England and Wales number 729746
