

Branch Community Engagement Volunteer

Team

People & Wildlife

Role Description

We have opportunities locally for people who are motivated and good networkers. We are looking for people with a passion for the natural environment; people who are organised and good at organising. The role will sit within our local Shropshire Wildlife Trust Branches. If you'd like to get involved and can use your skills to bring people with you, then we'd like to talk to you. You'll be helping to run our local Branch with opportunities to learn alongside other people and to share your skills.

Our Branches are based in 10 market towns across Shropshire and are run by enthusiastic and friendly people. We want to expand on the great work they do by recruiting new volunteers with some experience but more importantly, enthusiasm and willingness to get involved. We can provide the support and any training required to make this role work for you.

You'll be volunteering alongside people who also know their area and who will give you the support and confidence to make the role successful.

Skills and Experience

- Knowledge of your community including the natural environment
- Organising events – talks, walks, family events, etc.

Essential / Desirable

- Desirable
- Desirable

Skills Development Offered

- Community engagement and mobilisation
- Access to training such as Safeguarding

Support Available

- The role is part of a small committee of volunteers who will provide support
- Additional support will be provided by Shropshire Wildlife Trust staff
- Once you register as a volunteer, you will be invited to volunteer social events and training

Minimum time commitment needed

We would expect minimum of the equivalent of 1 to 2 days a month for this role, but you can do more

Other information

- Recruitment will be by application using SWT online form followed by an informal interview with local Branch members
- Applicants are welcome to come to a committee meeting before they commit, to see if it is for them
- You will be expected to comply with Shropshire Wildlife Trust's safeguarding policy and procedures and code of practice for appropriate behaviour.
